

# EMJ GLASS REINFORCED PLASTIC (GRP) SANQUIP WASH TROUGH - TYPICAL DETAILS

## 2-PERSON WASH TROUGH INFORMATION

Standard Length: Two Person: 1400mm  
 Standard Height: Including Fixing Flange 450mm  
 Weight: 12kg per metre run

- GRP Washtroughs are extremely durable and lightweight
- White smooth gloss gel-coat surface finish, resistant to staining and to acid and alkali concentration under normal use
- The smooth round curves of the product enable ease of cleaning and the materials used in products allow for cleaning without the use of harsh chemicals
- Units are available in a range of colours from the RAL Colour System

DOES NOT INCLUDE TAPS OR TAP HOLES
